so we have a better understanding of their basis. I know that we all stand up, from time to time, and say I don't understand that. Well, you know, I'm in one of those predicaments, I don't understand that. But I'm going to have a meeting with them Thursday.

SENATOR WEHRBEIN: Okay.

SENATOR WICKERSHAM: And maybe after we meet on Thursday, maybe I'll understand it. And when we're on Select File, if we get there, I'll be able to stand up and say, yes, I've had a conversation with them and I agree. It costs \$462,000. This is a lot...this is a harder decision than what I thought it should be.

SENATOR WEHRBEIN: I understand, okay, thank you.

SENATOR WICKERSHAM: But I agree with them. I'm not at that point yet.

SENATOR WEHRBEIN: The one other question I said Senator Beutler asked the question about Kansas and Nebraska law. And I missed the answer, and I would like to know that.

SENATOR WICKERSHAM: Well, there is a potential issue there, but I think it would agree...I think the agreement would have to provide which set of state laws you were going to apply and then those would govern. That's my answer at the moment.

SENATOR WEHRBEIN: Thank you.

PRESIDENT MAURSTAD: Seeing no further lights, Senator Wickersham, you're recognized to close on the advancement of LB 87. Senator Wickersham waives closing. The motion before us is the advancement of LB 87. Those in favor vote aye, those opposed nay. Record, Mr. Clerk.
